HangOut with Mates

Everyday OT is delighted to offer "HangOut with Mates" - an Occupational Therapy based holiday program.

Program aim:

To provide specific indoor/outdoor occupational therapy supported activities, using sensory integration and motor skill development theory, for children with mild to moderate needs, to enable greater engagement and participation in everyday play and school activities.

The children are encouraged and supported to

- Test their boundaries
- Improve their self-concept
- Have FUN in a safe environment

Who can come along?

Children with mild to moderate needs such as Aspergers, Sensory Processing Disorder, ADHD, PDD, ADD, High Functioning Autism, Dyspraxia, and their siblings are welcome.

Program run by:

Carolyn Lotawa, NZ registered Occupational Therapist.
