

Flexible Resources

Workshop

How to Overcome Obstacles and Achieve Goals

Does your child need to focus on

- School work
- Homework
- Specific learning goals

Do you have a child who

- Finds schoolwork hard
- Has a learning difficulty or disability
- Has special needs

DottyWobble's Flexible Resources Workshop run by Auckland based Angela Stanfield is about

- Overcoming obstacles and achieving goals using resources tailored to your needs
- Helping mainstream children focus on school/homework or routines at home
- Helping special needs children achieve specific goals or deal with problem areas
- Helping children with learning difficulties to achieve and learn

You will leave the workshop with resource ideas specific to your situation to try at home or school

Date: Tuesday 19 November 2013

Time: 10am to 12 noon.

Venue: Taylor Room, Mt Albert YMCA, 773 New North Road, Mt Albert, Auckland

Cost: \$45 - payment details given with confirmation of registration

To register simply email info@dottywobble.com with your name, email address, contact phone numbers and a specific description of your problem area or goal.

Spaces are limited to 15 people to ensure everyone's situation gets attention. Couples count as two people and need to pay for two places in the workshop.

More information on what DottyWobble offers can be found at www.dottywobble.com
