

Special Notice about Clip 'n Climb 2016/17

Hi CAF Supporter

We received wonderful feedback from families who attended or first Clip 'n Climb North Shore session, just for children with autism (and their siblings and parents):

"Our child excelled and he was so proud of himself that he kept pushing himself to go higher. He is scared of heights, so it was a very emotional morning watching him do so well"

"The staff were great, they were accommodating and clearly thinking about being sensitive and helpful"

"As a parent I really enjoyed it too, it was good to be in a safe environment and not have to worry or feel defensive"

"Our children had an awesome time!"

So we've arranged more sessions at Clip n' Climb!

Last session for 2016
27 November

Term 1
26 February & 26 March

Clip 'n Climb

To register:

[Click here](#), go to 'general admission booking' and search for the appropriate date. Select: '9am Private Admission (Autism Foundation guests ONLY)'.

Please also complete the online waiver form.

Please arrive 20 minutes before the session on the day.

If you come for the first time with your child, please send Arletta an email (arletta@autism.org.nz) and she will send you a 'social story' to help you prepare your child.
