

# Coronavirus – COVID-19

Right now, there is a virus that is making people sick. Because it spreads so quickly, many schools and workplaces are closed. It is important to keep myself and others healthy right now, so I need to change some of my routines. Staying home and staying away from other people will help keep me and others healthy. I also need to wash my hands often and keep my hands to myself.

Doctors and leaders are doing their best to take care of sick people. If I am worried about the virus, I can talk to my parents. I will do my best to stay healthy.
